

SZB ACCESSORIES

SZB Base support

Support base with power supply bar.
Capacity: 5 modules.
Includes a power cable for interconnection with other BAS-915/BAS-913/BAS-919 bases.

MODEL	BAS-915
Reference	2220
Unit per packaging	1

Support base with power supply bar.
Capacity: 3 modules.
Includes a power cable for interconnection with other BAS-915/BAS-913/BAS-919 bases.

MODEL	BAS-913
Reference	2222
Unit per packaging	1

The BAS-915 and BAS-913 bases can be connected to each other to form a module header with greater capacity. Power is supplied from one base to the other by connecting the power cables of the bases.

RF bridges

Flexible coaxial jumper for connecting new and existing headsets.

MODEL	PZL-017
Reference	2272
Unit per packaging	8
